

COMMONWEALTH OF KENTUCKY
KENTUCKY BOARD OF CHIROPRACTIC EXAMINERS

AGREED ORDER

Come the parties to this action, Samuel Forlenza, D.C., hereafter Forlenza, and counsel, and the Kentucky Board of Chiropractic Examiners, hereafter Board, and counsel, and do hereby state as follows:

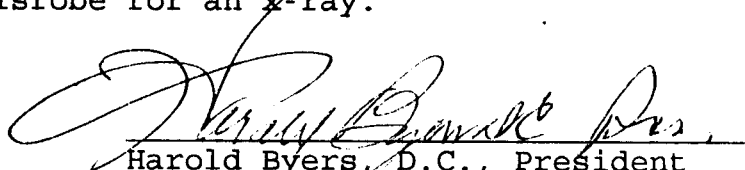

1. That Forlenza has been charged with sodomy in the first degree and sexual abuse in the criminal court system of the Commonwealth of Kentucky and, inasmuch as his alleged actions, if they occurred, would have taken place during his engaging in the practice of chiropractic, he would be in violation of KRS 312.150(1)(b), (f), (g), and (2), and KRS 312.017, and if found guilty of sodomy in the first degree, he would be violation of KRS 312.150(c), the parties hereto hereby agree that Forlenza shall not, during the pendency of the criminal action, examine and/or treat a female patient without a female attendant in presence in the examination and/or treatment room.

WHEREFORE, IT IS HEREBY ORDERED AND AGREED THAT:

Forlenza shall not, during the pendency of the criminal action against him, as stated hereinabove, examine and/or treat a female patient without a female attendant in presence in the examination and/or treatment room; and

If Forlenza shall violate the terms of this Agreed Order during the pendency of his criminal action, the Board shall have the right to revoke his license to practice chiropractic in the Commonwealth of Kentucky.

This Agreed Order in no way restricts the right of the Board to issue a formal complaint against Forlenza and schedule a formal hearing with regard to taking disciplinary action against Forlenza as a result of the allegations lodged against him by female patients as to sexual abuse, sodomy, and requiring them to fully disrobe for an x-ray.
