KENTUCKY BOARD OF CHIROPRACTIC EXAMINERS

IN RE: THE LICENSE TO PRACTICE CHIROPRACTIC HELD BY:

F. LOUIS BAILEY, D.C.
10561 Winding Way
Harrison, OH 45030

AGREED ORDER

Comes the Kentucky Board of Chiropractic Examiners, hereafter the "Board," by counsel, and F. Louis Bailey, D.C., hereafter the "Respondent," and the parties hereby agree as follows:

1. That Respondent admits he answered "No" to the question "Have you ever been convicted of a felony or misdemeanor that you have not previously disclosed to the Board in writing?";
2. That Respondent admits this was not a correct response, because he pled guilty to possession of marijuana and possession of drug paraphernalia in Greenup District Court, Case No. 95-M-356, on or about September 13, 1996;
3. That Respondent admits the incorrect response constitutes a violation of KRS 312.150(1)(f);
4. That rather than pursue a hearing on these violations of law, the parties have decided to resolve this matter by means of this Agreed Order.

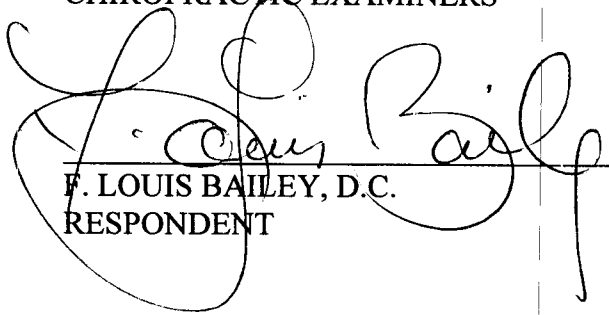

WHEREFORE, IT IS HEREBY ORDERED, that:

- a. Respondent's license is suspended for one (1) year beginning September 15, 1997 and continuing through September 14, 1998;
- b. Respondent agrees to provide the Board with original results from two drug screens before he may resume the practice of chiropractic in Kentucky. The first drug screen is due in the office of the Board on or before March 1, 1998. The second drug screen is due in the office of the Board on or before September 1, 1998. The tests must indicate the Respondent is drug free. Any costs incurred for the tests and the reporting of same shall be paid by Respondent.
- c. The Respondent enters into this Agreed Order knowingly, willingly and voluntarily and after having reviewed the due process rights afforded to him under KRS Chapter 312 and the accompanying regulations;
- d. The Respondent understands that by signing this Agreed Order, he has waived his right to a hearing on the allegations, including the right to be present with counsel, to subpoena witnesses and to confront those against him, and the right to appeal the Board's decision as entered in the Agreed Order and the full panoply of rights of hearing and appeal as authorized by statute, regulation and court decision;
- e. This Agreed Order is subject to disclosure under the Kentucky Open Records Act;

- f. The Respondent acknowledges he is ineligible for participation in any chiropractic preceptorship program for five years pursuant to 201 KAR 21:085, Section 2(7);
