RESPONDENT

* * * * *

The Kentucky Board of Chiropractic Examiners has reviewed the Hearing Officer's Recommended Order dated September 24, 2013, and otherwise being sufficiently advised, has determined that the Recommended Order is supported by the record in this matter, and therefore, adopts and incorporates the Recommended Order, with the following addition:

That the Executive Director of the Board, Karalee Oldenkamp, D.C., testified that the Board initially advised the Respondent, Mark Miller, that he could take the required pre-chiropractic coursework after graduation from chiropractic college in order to obtain licensure based on consultation with legal counsel of the Office of the Attorney General, who is counsel for the Board. The Board then also informed the Respondent, Mark Miller, that he did not meet the requirements for licensure based on consultation with legal counsel of the Office of the Attorney General, who is counsel for the Board.

With this addition, the Board adopts and incorporates the Recommended Order hereby as if set out in full. A copy of the Recommended Order is attached hereto. In accordance with the Recommended Order, the Board has determined that the

Respondent should be issued a license and be authorized to practice chiropractic within the Commonwealth of Kentucky.

SO ORDERED this 24th day of January, 2014.
