IN RE: Chiropractic License # 4456 held by Matthew C. Wallis, D.C.

MATTHEW C. WALLIS, D.C.  
2920 Lone Oak Rd.  
Pacucah, Kentucky 42003

**AGREED ORDER**

Comes the Kentucky Board of Chiropractic Examiners, hereafter the "Board," and Matthew C. Wallis, D.C., hereafter the "Respondent," and the parties hereby agree as follows:

1. The Board received a copy of an informational pamphlet the Respondent provided for his patients in the patient waiting area;
2. The informational pamphlet claimed that: over 35 of Respondent's patients had stopped taking insulin because of the correction to their nervous systems; two patients were in remission from cancer and no longer in need of pharmaceutical or surgical treatment; and that over 50 children had stopped taking ADHD medications because of spinal re-alignment;
3. The Respondent was not able to provide documentation for all his claims in the informational pamphlet;
4. The practice of chiropractic does not include the practice of medicine pursuant to KRS Chapter 315. Furthermore, chiropractors are not permitted to treat or attempt to treat cancer pursuant to KRS 312.017(1)(b);
5. Since the Respondent made claims that could have been construed to be outside the scope of chiropractic, the claims may have been perceived as false, misleading, or deceptive, in violation of KRS Chapter 312.019(9)(g);
6. Rather than pursuing a hearing on the allegations in the complaint, the parties have decided to resolve this matter by means of this Agreed Order.

**WHEREFORE, IT IS HEREBY AGREED AND ORDERED THAT:**

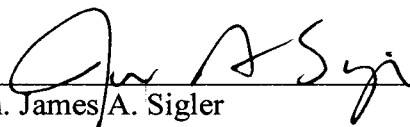

- A. Respondent shall pay a \$500 penalty on or before February 27, 2004. The penalty shall be made payable to the "Kentucky Board of Chiropractic Examiners."
- B. Respondent shall return this Agreed Order on or before February 27, 2004.
- C. Respondent enters into this Agreed Order knowingly, willingly, voluntarily, and after having reviewed the due process rights afforded him under KRS Chapter 312, KRS Chapter 13B, and 201 KAR Chapter 21;
- D. Respondent understands that by signing this Agreed Order, he has waived his right to a hearing on these allegations, including the right to be at a hearing with counsel, to subpoena witnesses and to confront those against him, the right to appeal the board's decision as entered in the Agreed Order, and the full panoply of rights of hearing and appeal as authorized by statute, regulation, and court decision;
- E. Respondent acknowledges and understands that this Agreed Order is subject to disclosure under the Kentucky Open Records Act;
- F. Respondent acknowledges he is ineligible for participation in any chiropractic preceptorship program pursuant to 201 KAR 21:085; and
- G. Respondent agrees that his failure to comply with any of the terms of this Agreed Order may result in the Board setting the allegations and his failure to comply with this order for hearing.
