BOARD OF CHIROPRACTIC EXAMINERS

(Amendment)

201 KAR 21:090. Pre-Chiropractic education requirements.

RELATES TO: KRS 312.019, 312.085

STATUTORY AUTHORITY: KRS 312.019(2), (9)(h), 312.085(2)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 312.019(2) requires the board to pass upon the qualifications of applicants for a license to practice chiropractic. KRS 312.019(9)(h) and 312.085(2) authorize the board to establish by administrative regulation a two (2) year pre-chiropractic course of instruction to be completed prior to entry into chiropractic college. This administrative regulation establishes that course of instruction.

Section 1. Pre-chiropractic Education. An applicant for licensure shall have satisfactorily completed, prior to attending chiropractic college, [~~and as a part of the applicant's required minimal sixty (60) semester credit hours of pre-chiropractic education,~~] the course of pre-chiropractic instruction established and required by the Council on Chiropractic Education.
